

TREASURE ISLAND

Get to Know Us

TREASURE ISLAND is the brainchild of Ebrahim (B.Tech) and his wife Tahera (B.A.). TI got started in 2002 with a dream and a will to participate in the educational needs of children. For about 7 years TI operated from Vashi, Navi Mumbai and subsequently shifted base to Pune where TI has been operating since 2008.

TI keeps a range of innovative children's products keeping in mind high product quality and usefulness. The product range caters to the needs of small children of various ages and abilities.

TI caters to the needs of Pediatric Therapy Clinics, Special Education Centers, Inclusive Schools and Preschools.

We have expertise to start Therapy Centers and Preschools. We have set up many centers till date.

Apart from operating in Pune and Mumbai, TI has supplied to customers all over India and Abroad.

Earlier we had a network of business associates in Mumbai, Surat, Raipur and Chittagong at various points of time.

TI participates in various Exhibitions (National Book Fairs / Parent-Teacher Meetings at Schools and Therapy Centres) from time to time.

We have detailed product catalogs at TI for customer perusal and believe in personal interactions with the customers. In case any special assistance is sought by our customers we are happy to do so at TI.

At TI, you get a choice for your requirements.

We at TI endeavor in delivering our goods within a specific time limit. Quality disputes and accounts settlement, if any, are promptly attended to.

TREASURE ISLAND

A-32, KPCT Mall, next to OLA showroom, Fatimanagar, Wanowrie, Pune-411013.

Tel: 9833942537, 9272528614, 8446525300

Our main activities include supplies to:

Therapy Centres

TI provides necessary equipment, learning aids, educational toys and sensorial material for children with Learning Disorders, Autism, Down's Syndrome, Mental Retardation and other problems relating to Speech and Daily Living Skills.

TI supplies material for

Occupational Therapy: Swings, Sensorial Products (texture, light, sound), Daily living Skills products, Blocks & Manipulatives, Gross & Fine motor products, Therapy Brush, Therapy Putty...

Physiotherapy: Therapy Mat, Bolsters, Wedge, Swiss Balls, Balance Board, Scooter board..

Special Education: Therapy material to assist in Writing, Reading and Arithmetic.

Speech Therapy: Oral Motor products, Flash Cards, Puppets, Pretend Play, Puzzles, Language Processing products...

Child Psychology: IQ Test material, Behavioural Therapy Aids, Learning Disabilities-Cognitive games...

Recently we have created Sensory Rooms at various Therapy Centres. Also, we have created therapy setups in Inclusive Schools.

Preschools

TI provides various products for Preschools such as:

- **Montessori Materials**
- **Pretend Play**
- **Puzzles**
- **Books, Flash Cards, Charts**
- **Art & Craft**
- **Blocks and Manipulatives**

- **Puppets (Glove and Finger)**

Our other activities include:

Exhibition Sales

Treasure Island participates in various exhibitions

- Book Fairs
- School Functions - PTMs, Open House, Report Days, Literary Week
- Therapy Centres

Commission Sales

Large Playground Equipment and School Furniture.

This generally included products of high value, large volume and having well defined specifications.

Niche Markets for TI

Supply of 1) Science Projects 2) Mathematics Kit 3) Children's Stationery 4) Children's Books 5) Return Gifts 6) Setting up Children's Gym

Toy Library Supply and Start up

Treasure Island has supplied to and assisted in creating Toy Libraries all over Mumbai and Pune. We have supplied to over 200 Toy Libraries.

In-House Production

In-House production of educational CD-Roms and other printed and laminated teaching aids.

Rentals (2002 - 2008)

TI rented out specific material such as Costumes, Masks, Headgear, Disguises, Accessories and Puppets for events at Preschools.

Workshops (2002 - 2008)

We had conducted the following workshops

Holiday Workshop

For children between 3 - 8 yrs, exposed them to different activities as per their age and ability.

Karadi Story-Telling Sessions

Children listened to the story on audio while simultaneously reading the book. The audio rendition was embellished with expressive character voices (Saeed Jaffery, Naseeruddin Shah, Usha Uthup, Girish Karnad), background music, sound effects and even songs within the context of the story. The basic benefits to the children were language learning and increased attention span— developing a love for reading.

Santa Claus Gifting For Christmas (2002 - 2008)

Events organized jointly by the respective Preschool and Treasure Island during the Christmas Season.

Special Events

1500 rubik's cubes supplied to Ogilvy and Mather for an Ad Promotion event for Cadbury at a mall in Chennai (2009). 1500 rubik's cubes were used to create an image of Marilyn Monroe.

We had been associated with Wonderkids Development Centre (2003-2005)

1. Center One, Vashi, Navi Mumbai
2. R Mall, Mulund, Mumbai

These were basically support functions for respective shopping malls by being places for parents to leave their children in the care of qualified professionals. Treasure Island helped set up these centers and also managed sales counters there.
